

MESSAGE

Dear Alumnus of St. Anne's Convent School,

I extend hearty felicitations and prayerful wishes to you all- the Alumni of St. Annes' Convent School, on the significant occasion of the launching of a website.

As the Principal of the School, I feel it is remarkable opportunity for me, to be able to meet St. Anne's alumnus, who have shown interminable support, affinity and commitment towards this exalted institution. They indeed, deserve an exceptional appreciation and applause. I would like to add here, that an institution is best assessed by the strength of character and success of its students.

As you start a new phase of your inclination and allegiance to your Alma mater, I hope you will use it as a medium to extend and enhance goodwill and rapport with your contemporaries, who are spread out not only in India but aboard as well.

I am proud of our Alumnus and sincerely hope that this website becomes a channel through which you stimulate and inspire others to develop relationships. I am happy to mention here, that you represent all that is good about St. Anne's. Now that you are at the threshold of launching a website, I wish you all the best, pray that this pursuit may stimulate, and inspire others.

Sr. Gracy Jose
Principal
St. Anne's Convent School
Chandigarh.
